A registered charity may pursue political activities only if the activities are non-partisan, related to its charitable purposes, and limited in extent. A political activity is any activity that explicitly communicates to the public that a law, policy or decision of any level of government inside or outside Canada should be retained, opposed, or changed.

**1** Describe the charity's political activities, including gifts to qualified donees intended for political activities, and explain how these relate to its charitable purposes.

**MADD Canada identifies policies, laws and administrative sanctions that will reduce the number of Canadians being killed and injured in impaired driving crashes every year. MADD Canada promotes these policies to elected officials and decision makers at both the Federal and Provincial/Territorial levels.**

**At the Federal level, MADD Canada communicated with elected officials to promote the need for improved testing measures for drug-impaired drivers, improved sentencing for the most serious impaired driving offences, and mandatory alcohol testing. MADD Canada also conducted a public postcard campaign to promote the need for roadside oral fluid testing for drug-impaired drivers.**

**At the Provincial/Territorial level, MADD Canada communicated with leaders and decision makers in various jurisdictions to promote the need for .00% BAC restrictions for young drivers until age 21, immediate roadside licence suspensions and vehicle impoundments for drivers in the .05% to .08% BAC range, mandatory alcohol interlocks for drivers convicted of impaired driving offences, and other measures to reduce and prevent impaired driving.**

**2** Identify the way the charity participated in or carried out political activities during the fiscal period.
